

**Huston-Tillotson University  
Hazing Statement & Agreement**

Hazing is against the laws of the State of Texas and hazing practices of any type are also in direct violation of Huston-Tillotson University policy. When hazing occurs it reflects negatively on the character of the entire institution, thus the University is committed to the elimination of hazing practices within organizations and between individuals. Any student that experiences or witnesses an incident of hazing has an obligation to report such behavior to the Dean of Student Affairs Office.

The Dean of Student Affairs Office enforces all rules and regulations regarding hazing as outlined in the Student Handbook. Alleged violations will be thoroughly investigated and in cases where hazing has occurred disciplinary action will be taken. Before pursuing membership in a recognized student organization at Huston-Tillotson University students are encouraged to carefully review the section on hazing located in the Student Handbook, which can be accessed on the Student Affairs homepage of the University website <http://sa.htu.edu/>.

It is hereby acknowledged that the institutional policies governing hazing have been read thoroughly and are clearly understood. Signing and dating this agreement also serves as an acknowledgement that Huston-Tillotson University will not be held liable if these regulations are not strictly adhered to or for any circumstances that occur as a result of hazing.
