Huston-Tillotson
Alma Mater

From her Eastern windows shining comes the promise of the day,
Founded on the rock eternal looking ever toward the light,

Huston Tillotson Alma Mater gentle guardian of the way.
Wise in mind and great in spirit holding fast her vision bright.

From the weary plains and lowlands Proudly to her hills above,
Come you loyal sons and daughters strong and free your voices raise.

Huston Tillotson Alma Mater, Lift our hearts in faith and love.
Huston Tillotson Alma Mater, In blessing gratitude and praise.
