

External Studies with Expedited and Full-Board Review Required

The Huston-Tillotson University RSC&IRB will need to review and approve the following documentation for external applicants before research can be conducted at Huston-Tillotson University:

1. Huston-Tillotson University research proposal
2. Huston-Tillotson University IRB application.
3. IRB approval letter from your institution.
4. Human-Subject training certificate for Principal Investigator (to have been completed in last 3 years).
5. Survey instruments.
6. Participation letters.
7. Consent form (if no consent form, explanation of why one is not needed).
8. All recruitment materials.

Upon review of the documentation, the Huston-Tillotson University RSC&IRB may request additional items or follow-up responses regarding specific information.
