

JOIN THE HT MATHDS CLUB FOR AN EXCITING FALL 2025 SEMESTER!

The Huston-Tillotson Mathematics and Data Science (HT MathDS) Club is thrilled to welcome all students to another enriching semester! Whether you're passionate about mathematics, statistics, or data science, our club provides a supportive and engaging environment for learning and growth.

Who We Are

The HT MathDS Club is proud to be affiliated with the National Student Data Corps (NSDC), a prestigious initiative under the Northeast Big Data Innovation Hub, an NSF-funded project operated by Columbia University. As part of the NSDC HT-Chapter, we are committed to fostering a community where students can develop valuable skills in mathematics and data science, collaborate with peers, and access industry opportunities.

What We Offer

With 100+ registered members, the HT MathDS Club provides an array of enriching experiences, including:

- Monthly Meetings: Connect with fellow students, discuss mathematical concepts, and explore new developments in data science.
- Invited Speaker Sessions: Gain insights from industry experts, professors, and professionals working in math, statistics, and data science.
- Internships & Scholarships: Learn about internship and scholarship opportunities that can help accelerate your career path.
- Workshops & Conferences: Attend exclusive workshops and conferences in mathematics and related fields, free of cost!
- Free Year-Long Access to DataCamp Materials: Enhance your learning with top-tier resources in data science and analytics.
- Internship Opportunities: Get access to valuable internship experiences through EVHybridNoire and SUIIO foundations, helping you gain real-world expertise.

Why You Should Join

If you're eager to expand your knowledge, gain hands-on experience, and become part of a thriving academic community, the HT MathDS Club is the perfect place for you. Our members receive invaluable training, career support, and networking opportunities to prepare them for success in academia and industry.

Don't Miss Out!

Stay tuned for updates on upcoming events, workshops, and internship sessions. Let's embark on a fantastic semester of learning and discovery together! For more information or to get involved, feel free to reach out. We can't wait to see you at our next event! To join us, click the link below:
