

Daily Crime and Daily Fire Logs

This daily crime log is provided in accordance with the regulations set out under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

Huston-Tillotson Campus Safety Department maintains a Daily Crime and Daily Fire Log of all incidents reported to the Department. Campus Safety publishes an activity log day, which is available to members of the press and public. This log identifies the type, location, and time of each criminal incident reported to Campus Safety.

The most current 60 days of information is available in the Campus Safety office located in the Conner-Washington building on the second floor. Upon request, during normal business hours (M-F, 8am-5pm). Any other portion of the log older than 60 days will be made available for public inspection within two business days upon request.
