“Reach for a New Rhythm” with Us!

The stellar music program of Huston-Tillotson University has educated thousands of students and benefited from mighty musical and other contributors of the past.

The Reach for a New Rhythm campaign sets its sights on expanding the profile and capacity of the music program to educate students and provide music education with facilities and programs that reflect the greatness of its storied history.

Huston-Tillotson will raise \$2.25 million to bring the Reach for a New Rhythm campaign to fruition.

A prized effort of the Reach for a New Rhythm campaign is the “All Steinway School” initiative. Fueled by an anonymous gift of \$800,000, the effort will bring 15 new Steinway pianos to Huston-Tillotson University, designating it as an All-Steinway School. Becoming an All-Steinway School gives the University’s music program the same distinction as esteemed music programs such as The Juilliard School, Yale University School of Music, and Oberlin College Conservatory. Huston-Tillotson University will be the only institution of higher learning in Central Texas, the fourth HBCU in the country, and the 196th university in the world to earn the coveted title of an All-Steinway School.

Your contribution to the Reach for a New Rhythm campaign will:

- Increase** the number of scholarships for students
- Enhance** support for faculty
- Improve** the facilities of the Music Department
- Modernize** technical equipment
- ... and more!

There are many opportunities for you to contribute to the Reach for a New Rhythm campaign. Please review the back of this sheet to learn more!
