

February 12 , 2019

Dear Alumni and Friends

We are reaching out to you regarding a contribution opportunity supporting the Huston-Tillotson International Alumni Association-Austin Chapter. We directly support Huston-Tillotson University, Austin's oldest institution of higher learning with well over 100 years of continuous service to mankind. On *May 10th, 2019*, we'll welcome golfers from throughout the city and state to participate in our ***HTIAA-Austin 31st Annual Benefit Golf Tournament***. All proceeds raised in our annual golf tournament assists the needs of current students in various forms but primarily via scholarships.

With your desire to give back to the community, we would greatly appreciate your support.

Your support will help to assist as well as satisfy the needs of students at Huston-Tillotson University.

Mr. Marvin Douglas has successfully chaired this marquee event for the Austin chapter for the prior 30 years. In addition to being a gem of knowledge for the Austin Chapter, he often stands as a reminder of the vast history of the institution as without Huston-Tillotson University, he may not have been able to become one of the first African American fireman to assist our great city.

We'll have a host of volunteers, participants and spectators in attendance, which will provide additional exposure for your organization.

We would love to have your support as a Hole Sponsor. Keep in mind that gift card/certificates totaling \$100.00 or more qualify for a hole sponsorship as well. I have included our other levels of sponsorship in the event that you may know of anyone that would possibly be interested in becoming a contributor.

Hole Sponsorship-- \$100.00 (minimum, per hole)

· includes name/logo on signage

Prize Sponsorship-- \$600.00+

- Complimentary hole sponsorship (1)
- Awards ceremony recognition & post tournament luncheon
