

Biography - Maxx Judd

Maxx Judd is the Senior Manager of Apple's global education programs including Apple Distinguished Educators (ADEs), Apple Teacher, and key Apple educational events. The Apple Distinguished Educators program recognizes K–12 and higher-education pioneers in 45 countries and regions worldwide who are using Apple technology to transform teaching and learning. Apple Teacher is a free professional learning program designed to support and celebrate educators using Apple products for teaching and learning.

Based in Austin, Texas, Maxx's team is an extension of Apple's corporate education marketing team in Cupertino. Now in his 26th year at Apple, Maxx was previously a classroom teacher, elementary principal and director of technology with a total of 12 years in education prior to joining Apple.

Maxx is an avid photographer, a new drone enthusiast and passionate about traveling the world and capturing images along the way.
