

SAFE & HEALTHY RAMS - SPRING 2022 GUIDE

HT RAM CHECK & CAMPUS ACCESS LEVELS

The **HT Ram Check** app is used for campus access, the daily health check, reporting close contact with COVID-19 cases, uploading COVID-19 test results, and receiving notifications and important updates. Please ensure you are have installed the app and are aware of each campus access level.

CLEAR for campus

You are clear to access campus and to participate in all campus activities.

NOT IN COMPLIANCE

You are not in compliance with campus protocols - routine testing or vaccination reporting.

NOT CLEAR for campus

You are NOT clear to access campus.

Who? Fully vaccinated, no symptoms, no close contact. On-time routine testing.

Who? Either no vaccine record or exemption routine testing protocol.

Who? Confirmed, Close Contacts, Suspect Cases, Probable Cases.

Cleared to access campus

Submit vaccination record or exemption to vaccinations@htu.edu, or submit PCR test result via HT Ram Check app.

Isolate immediately. Safe and Healthy Rams Coordinator will reach out.

Please monitor htu.edu/safeandhealthyrams for updates or contact the Safe & Healthy Rams office at safehealthyrams@htu.edu or 512.505.3019 for more information.
