

"Golf is for everyone, the young, the old, women and men. The tournament is a place to celebrate all the things I love, my family, HT, East Austin, and my friends. Thank you for supporting an institution that was instrumental in making us better humans."

-Marvin Douglas, HT Alum
and one of the first black firefighters in Texas

HTIAA AUSTIN CHAPTER 34TH ANNUAL MARVIN DOUGLAS & DR. GENERAL MARSHALL **BENEFIT GOLF TOURNAMENT**

About Us

Our organization has the honor of providing critical funds for scholarships and other areas of need for the oldest institution of higher education in Central Texas. HTU continues to prove itself as an invaluable gem in the heart of East Austin.

The 34th Annual Marvin Douglas & Dr. General Marshall Benefit Golf Tournament is named for two titans in the community who loved the university mightily with their talents, time, and generosity. We are proud to join their ranks as people who give to a great institution that has been the beacon of promise for upward mobility since 1875. Help bring to fruition the university's vision of a connected world where diversity of thought matters. Please give generously to a worthy cause.

Lions Municipal is one of Austin's most popular
courses and the first municipal golf course in the
South to integrate peacefully. **Dr. Marshall was a
key advocate for preserving that history and
worked tirelessly to save "Muny" from
commercial development.**
