

The Huston-Tillotson Mathematics and Data Science (HT MathDS) Club National Student Data Corps Huston-Tillotson Chapter (NSDC – HT)

The Huston-Tillotson Mathematics and Data Science (HT MathDS) Club welcomes you all to the Fall 2024 semester! Our club is affiliated with the National Student Data Corps (NSDC), which is part of the Northeast Big Data Innovation Hub, an NSF project operated by Columbia University in New York. The HT MathDS Club and the NSDC HT-Chapter are community-developed initiatives that provide resources and opportunities for students to learn mathematics, statistics, and data science in a supportive community. We already have 36 registered members in this chapter. We offer regular monthly meetings, invited speakers, internship and scholarship information sessions, and workshops and conferences in related fields.

Texas Undergraduate Math Conference, 2023

Joint Monthly Meeting of HT MathDS club and NSDC HT

To become a member of HT MathDS Club please fill out the google form:

<https://forms.gle/dZmtE9LvZ54nCpJS7>

All members also need to submit the google form for NSDC HT Chapter:

<https://forms.gle/uJ4vq4gMGkWFF5F79>
